## Narrative

On 05/01/18 at 0343 hours I was dispatched to a recent assault at Cascade Behavioral located at 12844 Military Rd S. I arrived on scene and contacted the on-site supervisor [REDACTED]. I did not turn on my body worn camera because of being inside of a hospital per policy and HIPAA laws.

[REDACTED] stated that a patient that was involuntarily committed assaulted another involuntarily committed patient. [REDACTED] escorted Tukwila Fire, Officer D. Delic and I up to the secure ward. I contacted the assault victim [REDACTED]. [REDACTED] stated he was asleep in his room when someone came in and repeatedly punched him in the head, back and shoulders approximately 20 times. [REDACTED] stated he could not move his right arm because it hurt. I did not observe any visible injuries to [REDACTED], just complaint of pain. [REDACTED] was transported to the hospital. [REDACTED] did not know who assaulted him.

I then contacted [REDACTED] [REDACTED] who was the other patient that assaulted [REDACTED]. [REDACTED] was put into an isolation room by staffing. [REDACTED] was bleeding from his left pinky. The injury was caused by ripping old stitches when he assaulted [REDACTED]. I asked [REDACTED] what had happened, and he stated, "I got raped". [REDACTED] stated he saw a dark figure move through the room and then he rolled over and began to assault [REDACTED]. I again asked [REDACTED] why he assaulted [REDACTED] and he stated he was defending himself because "he fucked me in the ass". [REDACTED] refused to go to the hospital to be evaluated and to do a rape kit. I observed abrasions to [REDACTED]'s knees and a cut/bruise to his left bicep. [REDACTED] stated [REDACTED] came to their facility with those injuries from jail. [REDACTED] also stated that [REDACTED] was in jail for assault and was taken to the ER and assaulted hospital staffing. I did not photograph [REDACTED].

I then spoke to the staff who witnessed the assault. For the statements I stepped into a hallway away from patients and activated my body worn camera for the statements. I contacted [REDACTED] first. [REDACTED] stated that all patients are on constant surveillance and the rooms are checked by staff every 15 minutes. I learned prior from [REDACTED] that [REDACTED] and [REDACTED] are staying in the same room. [REDACTED] stated he observed [REDACTED] walk out of his room and come to the front desk. [REDACTED] asked for the time and date, then turned around and ran back into his room where [REDACTED] was sleeping, turned on the light and began assaulting [REDACTED]. [REDACTED] ran into the room to stop [REDACTED] from assaulting [REDACTED]. [REDACTED] stated that [REDACTED] was not defending himself. [REDACTED] also stated that the room they were staying in is the closest room to the nurse desks approximately 10 feet away. He stated that it is very unlikely that a rape could have taken place without them knowing due to the close proximity.

I contacted [REDACTED] [REDACTED] next. She stated she was at the nurse station when [REDACTED] came to the desk and asked for the time and date. [REDACTED] then turned around and ran back into the room where [REDACTED] was asleep, and she heard him assaulting [REDACTED]. [REDACTED] then ran to the room to assist staffing in detaining [REDACTED].

Officer D. Delic contacted [REDACTED] [REDACTED] ( [REDACTED] ). [REDACTED] stated [REDACTED] and [REDACTED] share a room together. [REDACTED] came to the front desk and asked for the time, then turned around and ran back into the room and began to assault [REDACTED] by punching him. [REDACTED] bear hugged [REDACTED] to stop him from assaulting [REDACTED] and the parties were separated by staff.

I have no further information at this time.

Forward to MCU.
